SELECTING THE RIGHT CLEANING PARTNER WORKSHEET

Compare providers by scope, operating fit, accountability, and relationship quality - not price alone.

Decision Area	Provider A	Provider B	Provider C	Evidence / Notes	Importance	Owner	Follow-up
Facility and scope understanding							
Proposed tasks and frequencies							
Staffing and continuity plan							
Supervision and inspection							
Issue correction process							
Communication expectations							
Safety, access, and security							
Periodic / project work							
Contract and scope-change process							
Relationship and values fit							

Educational decision-support tool. Confirm facility-specific legal, regulatory, clinical, safety, product-label, and contractual requirements. www.invocleaning.com
